**GENETIC TEST:**  
**Immunodeficiency - Activated PI3K-delta syndrome**

|                                   |                                                                                                                                                   |
|-----------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>FULL NAME:</b>                 | Immunodeficiency - Activated PI3K-delta syndrome                                                                                                  |
| <b>TEST TYPE:</b>                 | Clinical                                                                                                                                          |
| <b>TEST SPECIALTY:</b>            | Molecular Genetics                                                                                                                                |
| <b>TEST PURPOSE:</b>              | Post-natal Diagnosis                                                                                                                              |
| <b>SPECIMEN:</b>                  | Peripheral (whole) blood on EDTA                                                                                                                  |
| <b>METHOD CATEGORY:</b>           | Sequence analysis: entire coding region                                                                                                           |
| <b>METHOD TECHNIQUE:</b>          | Next Generation Sequencing (NGS)                                                                                                                  |
| <b>RIZIV CODE:</b>                | 565471-565482                                                                                                                                     |
| <b>TURNAROUND TIME (MAXIMUM):</b> | 4-6 months                                                                                                                                        |
| <b>CREATED:</b>                   | 19 Jul 2019 - 16:14                                                                                                                               |
| <b>CHANGED:</b>                   | 18 Oct 2021 - 11:35                                                                                                                               |
